The Land Bank staff will evaluate the request and determine actions. If the parcel becomes eligible for placement in the land bank public sale, steps of the Land Bank will take place. It is not guaranteed that the requestor will be the successful purchaser.

Information is being accepted by the County Treasurer's Office for consideration of the Land Bank Program. Taking of this request does not guarantee action on this property or any notice to requesting individual.

Sale of a buildable plot or acreage for residential use by the Trumbull County Land Reutilization Corporation requires that a structure must be built within-in one year of purchase. The Trumbull County Land Reutilization Corporation does not accept a Manufactured Home as a structure for this purpose. Failure to meet these guidelines will cause forfeiter of property.

Sale of a buildable plot or acreage for commercial use by the Trumbull County Land Reutilization Corporation requires a written plan for use and purchase of property. The sale also may require Municipal, Township, Village or County approval in some cases.

Sale of acreage by the Trumbull County Land Reutilization Corporation requires a written plan for property use and reason of purchase. The sale also may require Municipal, Township, Village or County approval in some cases.
