Trumbull County Land Bank March 2018 Report
Prepared by Trumbull Neighborhood Partnership

Highlights

The Regional Chamber of Commerce awarded the William G. Lyden, Jr. Spirit of the Valley Award to Trumbull Neighborhood Partnership and Youngstown Neighborhood Development Corp. This award was presented for the work and dedication of TNP to improve our neighborhoods through blight remediation and revitalization efforts.

In March, TNP attended a number of public meetings to update communities, neighborhoods and residents of the activities being performed by TNP on behalf of the Land Bank. These meetings allow the community to gain more information about the Land Bank and the work we perform, while also giving residents the opportunity to provide input on how the Land Bank can most effectively serve their community. Over the next several months, TNP will attend several public meetings in the 21 strategic demolition target areas throughout the county to provide Land Bank programming updates.
