The Trumbull County Land Bank Report

Prepared by Trumbull Neighborhood Partnership

Highlights

The Trumbull County Historical Society (TCHS) was presented the Best Community Partnership of the Year Award at the Ohio Museum Association Annual Conference on April 15, for the collaborative efforts on TCHS’s Historic Plaque Recognition Program. In partnership with The Trumbull County Land Bank, Trumbull Neighborhood Partnership, and Trumbull 100, this project awarded 33 homeowners within the City of Warren historic site plaques and research reports on their homes. Centered in Warren’s downtown Garden District, this place-making effort fostered pride of place by highlighting the roots of one of Warren’s oldest neighborhoods.

TNP, in partnership with a local woodworker, completed its first piece of furniture built from reclaimed material, salvaged out of pre-demolition houses by TNP’s Building a Better Warren Crew. The material will be marketed through a number of online marketplaces and will be listed at www.trumbullcountysalvage.com
