

# April 2023 Board Report

ODOB Brownfield and Commercial Demolition updates: The Wean Building demolition was awarded to SereDay and is set to start work May 15th. Demolition of 418 S. Main and clean-up of the former Gasification Plant continue.

## Advancing Diversity, Equity and Inclusion

The Land Bank team applied for and was awarded a place in the inaugural Center for Community Progress's Land Bank DEI Learning Cohort. The five session process is designed to help land banks across the nation explore the role and responsibility they have in advancing diversity, equity, and inclusion in the community.

## Highlights

It was an honor for TCLRC's Housing Coordinator, Mikenna McClurg, to be invited to present during 2 statewide land bank gatherings. TCLRC co-hosted the webinar "Deed-in-Escrow Program:

Everything you need to know" with Lucas County presenting on the exemplary work we do through our Deed-in-Escrow program. Mikenna was also invited to present at the 2023 Land Bank Conference for the breakout session "Acquiring REO Properties to Stabilize Neighborhoods" with NCST as well as the Ashtabula and Cuyahoga County Land Banks.
