NOTICE OF A PUBLIC MEETING REGARDING THE TRUMBULL COUNTY LAND REUTILIZATION CORPORATION'S APPLICATION FOR FUNDING THROUGH THE FY26 US EPA BROWNFIELD CLEANUP GRANT TO FUND THE REMEDIATION OF FIVE ABANDONED GAS STATION PROPERTIES THROUGHOUT TRUMBULL COUNTY

The Trumbull County Land Reutilization Corporation (The Land Bank) is applying for a U.S. EPA Brownfield Cleanup Grant for five abandoned properties formerly operated as gas stations throughout Trumbull County. The address of the properties to be included in the application are as follows:

- 2855 Tod Ave SW, Warren, OH 44484
- 3624 Main St, Mineral Ridge, OH 44440
- 165 E Main St, West Farmington, OH 44491
- 2904 Belmont Ave, Youngstown, OH 44505
- 1426 Niles Rd SE, Warren, OH 44484

The total funding request is $2,625,000, and the draft Analyses of Cleanup Alternatives (ABCAs) are available for community review. These draft ABCAs explain the contamination present at each site, the extent of the contamination, and the recommended cleanup methods to address each site. They also estimate the remediation costs for each site individually.

These draft documents are available for public review online at trumbullcountylandbank.org or by emailing gillian@tnpwarren.org. The documents can also be viewed in person at Trumbull Neighborhood Partnership's office at 736 Mahoning Ave NW, Warren, OH 44483.

Public comments are encouraged. These comments may be sent to gillian@tnpwarren.org, called in at (330) 647-6301 ext. 106, or delivered in person at either of the public meetings.

For questions or any further information, please contact Gillian Costantino using the contact information provided above.
