TRUMBULL COUNTY LAND BANK

February 2026 Land Bank Report

Gas Station Clean-ups

Progress is being made on remediation at five Land Bank owned abandoned gas station properties. Two underground storage tanks have been removed from a property on Niles Rd. in Warren (pictured); another five were removed from an abandoned property on Tod Ave in Leavittsburg. Additional sites include Liberty Township, Mineral Ridge, and West Farmington.

Demolition Grant Award

The Land Bank was awarded $230,000 in demolition funds from Ohio Department of Development Building and Site Revitilization Program. These funds will be active in June of 2026, and will be used to demolish 10 residential structures later this year.

Home Repair Funding

The City of Warren awarded $250,000 to the Trumbull County Land Bank to provide home repairs to income eligible owner occupants. This program provides needed repairs to qualifying homeowners throughout Trumbull County, including roof repair/ replacement, furnace repair/ replacement, handicapped accessibility improvements, and other eligible repairs.
